

Safe Deposit Services

Safe deposit boxes are a cost effective and convenient way to secure valuable items and important documents. First National Bank of LaGrange provides safe deposit services at both our LaGrange and Western Springs locations. We offer a variety of box sizes to accommodate your needs. The safe deposit boxes are secured in our vault area and we provide booths for viewing the contents of your box. You can access your safe deposit box during regular lobby hours, which are listed on the back of this brochure.
